

Berkowitz Lichtstein

BERKOWITZ, LICHTSTEIN, KURITSKY, GIASULLO & GROSS, LLC • COUNSELORS AT LAW

This year marks the 20th anniversary of the founding of our firm! We celebrate this milestone with great pride in what we have accomplished, and heartfelt gratitude to the loyal clients and professional colleagues with whom we have had the privilege of working during the past two decades. Our vision of creating a firm that blends an intimate and collegial work environment with the breadth of experience and expertise that is typically found only in larger firms has succeeded, enabling us to continue providing the finest representation to our clients in a pragmatic and cost-effective manner.

Our practice is built on relationships, many of which span multiple generations. While the founding members of the firm remain fully active, the firm has also selectively added a “next generation” of attorneys to ensure continuity in every aspect of the practice. During the past decade, attorneys have joined us from major New York and New Jersey law firms, bringing with them extensive client relationships and expertise. Several attorneys have chosen to work with us following prestigious judicial clerkships. This has accelerated their development as young attorneys, and based upon their training and experience at our firm, they have gained recognition as “rising stars” through *New Jersey Monthly* magazine’s “SuperLawyers” selection process.

We have worked carefully to control the growth of the firm to ensure that the highest standards of legal expertise, work ethic and client loyalty, which have been the hallmark of our practice, are reinforced and continue into the future. In order to ensure that we are fully prepared for the challenges of tomorrow, we have expanded our office space in Roseland, New Jersey and established a New York office to better serve our clients who live or work in New York. We have continued to invest in computer and other technological support for our practice, to strengthen our communication and research capabilities.

As we commemorate the milestone of our twentieth year as a law firm and celebrate the history that brought us to this point, we are focused on our thriving current practice and look forward enthusiastically to a bright and rewarding future.

Thank you for providing us with the opportunity to continue to work with you.
